

**REMARKS**

Entry of the above-amendment is respectfully requested prior to examination of the application. The above application corresponds to an application originally filed in Australia. The above amendment revises the application in a format more closely corresponding to that customarily employed in the US patent practice and to eliminate multiple dependent claims.

If there are any issues that the Examiner feels may be resolved by way of a telephone conference, the Examiner is cordially invited to contact David W. Carstens at 972.367.2001.

The Commissioner is hereby authorized to charge any payments that may be required to Deposit Account 50-0392.

Respectfully submitted,

By:
